Located in the popular Hillcrest Estate this well fitted out and finished family home presents "as new".You'll be impressed by the quality throughout with a Caesarstone kitchen, great open plan meals/family room, formal lounge room and ducted reverse cycle air conditioning. Storage is a real feature with walk in linen and plenty of extra cupboards. All 4 bedrooms have built in wardrobes with the main having an ensuite and walk in robe. There is a good sized alfresco entertainment area and the yards are completely landscaped, fenced and retained. The home enjoys an elevated outlook towards Lithgow and the mountain surrounds.An attached triple car garage completes the picture of a very impressive family home.A great alternative to building.
