\$459,000

Step back in time with this character federation home has been refreshed for the new owners, located within 500m walking distance of Casino CBD, schools and sporting fields, this spacious family home is very affordable, giving first home buyers the opportunity to get out of the rent cycle and start paying off your own home. The property also makes an ideal investment, with potential rental of \$500.00 per week. The home features 4 large bedrooms, separate lounge and dining areas with a well appointed kitchen, beautiful polished timber floorboards throughout together with many period features including 11 ft high ceilings and external facade featuring a huge bay window to the lounge room. The level backyard is fenced and ideal for the family pet, veggie gardens or place for the kids to play. Currently with a carport to the side and drive through access into the yard. Such a handy location, being within walking distance to everything that Casino offers. Call today – Jenny on 0428 699 807
