If I were a car I would have P-Plates, mis-matched panels and be covered in "Kmart Kisses" but I am tidy, functional and do represent budget-buying at its absolute best! A modest lowset home and the answer to those struggling to get into this market before it truly gets beyond reach. On a well-proportioned block, close to schools, transport, shops and the Wynnum Waterfront, it is hard to find anything that offers so much for so little. Whether you are looking for your first home, to downsize, invest, landbank or bulldoze and rebuild, the options abound. See me before some other bargain hunter beats you to it!!!!
