\$389,000

This spacious and unique character home, needs a little love for the finishing touches to bring it back to it's former glory! With 5 bedrooms, and 2 renovated bathrooms, this large family home has the amazing character features throughout. With original timber flooring, featured wall paper and pressed tin ceilings this home oozes yesteryear charm. There is a spacious kitchen, with gas stove, large fridge nook, and huge walk in pantry. A separate dining area, plus two separate living areas for the family to spread out in their own space. With the back yard a blank canvas to grow your dream garden or add in an alfresco area for entertaining, there are endless opportunities. Make your offer and finish off this beautiful family home!
