This is stunning....inside and out! Plus, there's plenty of space for the whole family to spread out, everything you'll ever need all on one level. The heart of the home is the open plan living area, which encompasses a spacious kitchen, dining area and living room. The kitchen is a chef's delight, featuring an extra large breakfast bar, a dishwasher, a 900mm freestanding Smeg six-burner gas cooktop and oven, a range hood canopy and splashback. The kitchen flows effortlessly into the meal area, which is ideal for family meals and entertaining guests. The living room is a cozy and inviting space, or for family movie nights there's a separate media room. The awesome difference here is the intelligent layout with all 4 built-in bedrooms separate to the master bedroom....Yep 5 bedrooms all up or use one to work from home! The master is more like a parents retreat with it's large walk-in-robe, ensuite with corner spa and it's own private access to the undercover alfresco area....talk about feeling like you're on holidays! The large family bathroom is complete with separate shower and bathtub. Plenty of storage space here too with a well appointed laundry room and oversized linen cupboards. Outside you'll find a sparkling inground pool, beautiful gardens, under cover alfresco and even a cosy fire pit area for those chilly winter nights. Imagine... the kids roasting marshmallows while the adults enjoy a cheeky wine! There's a double remote garage plus more secure parking space for a caravan or boat to the side of the home for all your weekend toys! A few other features include, security screens, security system, water feature, water tank, ceiling fans and split system air cons just to name a few. The location is super handy to local schools, Westfield North Lakes (for shopping, entertainment and dining), access to the highway and plenty of walking paths around the local lake. Don't miss out on the chance to make this stunning property your own. Watt Faves: * Open plan design, enhances the space and creates a welcoming and comfortable living environment * Large outdoor alfresco area, perfect for entertaining guests, hosting family events or simply relaxing and enjoying the outdoors * 5 bedrooms in total or turn one into a work from home office * Double garage plus additional secure space for a caravan or boat * Prime location close to shops, parks and schools
