This 1930-built double brick home is a rare find, having stayed in the same family for the last 74 years. It boasts beautiful ornate ceilings with original pendant lighting, hardwood floorboards, stunning leadlight doors and windows throughout the property. The layout is well-designed, featuring 3 bedrooms, 1 1/2 bathrooms, an outdoor toilet, a large lounge with a fireplace, electricity, and a separate dining room with an open fireplace. The kitchen has a lovely outlook onto an expansive acreage behind the property, and convenient side access leads to a solid 3 Bay Brick garage/shed - perfect for car collectors! Those who enjoy the ease of walking to nearby award-winning restaurants, cafes, homeware stores, and IGA are at your fingertips. This property is a fantastic opportunity for anyone looking for a well-built home that has stood the test of time. You can keep it as is or add your personal touches to make it your own. Please contact Nick Dale or Jane Zwar for a private inspection.
