Set back behind an established tranquil garden, this 2-bedroom townhouse offers a delightful simple living style. The home's rendered façade is not only aesthetically appealing it also requires minimal maintenance. At the heart of the residence is a combined kitchen and living area. The kitchen includes gas hotplates, dishwasher, built-in microwave shelf and adequate fridge alcove. A built-in desk adjacent to the kitchen helps to facilitate the use of space, adding convenience and practicality to the home. This living area has the added convenience of a reverse cycle heating and cooling unit, and connects the indoor space to the outdoor enclosed courtyard via a glass sliding door. Two generously sized bedrooms, are each accompanied by their own en-suite bathroom and include ample built-in wardrobes. The outdoor courtyard is complete with a clothesline, lockable shed, and convenient access to the secure garage. Don't miss the opportunity to make this lovely townhouse your home.
