Pick Of The Bunch!

Behind this stylish facade is a blend of modern design and contemporary living inside. This well designed and immaculately kept terrace is in highly sought-after Elderslie, in a quiet street yet, a short drive to the convenience and charm of idyllic Camden.

On the entry level is the generous sized master bedroom with an ensuite and walk-in robe. A modern kitchen that flows into the well-proportioned living and dining space that overlooks the covered alfresco and landscaped gardens, making it a perfect home for entertaining.

Level 2 is where you will find the retreat, a great area of the home that is complemented by high ceilings, giving it a spacious feel. Upstairs includes 2 more bedrooms, both with built-in wardrobes and the home's main bathroom.

Some key features include:

- Air conditioning throughout
- Downstairs powder room
- Dual living spaces
- Caesarstone bench tops
- Soft close cabinetry
- Ample storage space
- Landscaped gardens
- Westinghouse appliances
- Tinted windows throughout
- Remote control double lock up garage
- Rear lane access
- AV Jennings home built in 2020

This is one of the best terrace's Elderslie has to offer! A must inspect home for first home buyers, those downsizing and savvy investors alike.
