On top of the world! Finally, something truly unique. A spacious residence that enjoys elevated treetop views that extend all the way to the Kinglake Ranges, with indoor/outdoor living spaces oriented to the north to capture beautiful natural light. The 2-storey design features polished timber floors and thoughtful zoning, delivering 3 robed bedrooms (main with modern ensuite), zoned family bathroom, powder room, flexible media/playroom and a generous open plan kitchen/meals/family zone that steps straight out to the entertainer's deck. The natural bush garden with sealed driveway access is a haven for native birds and wildlife, with secure dog-friendly fencing. Further features include split system heating/cooling, wood fire, ceiling fans, under-house storage and just a few minutes' walk to Hurstbridge train station, shops, cafes, and primary school. Hurstbridge life awaits you!
