Experience luxury living in the highly sought-after Estate! This incredible residence is the perfect place to call home. Positioned in one of the newest estates in Clyde North and surrounded by parks, schools, and convenient bus routes is this exceptionally designed four-bedroom family home. BRAND NEW, this home vaunts stylish street appeal with a modern facade comprising brick veneer. A double lock-up garage showcases a panelled Colourbond automatic door, while exposed aggregate is applied to the wide driveway and stepped entry path. Neat, easy-maintenance gardens and LED feature lighting complete the welcoming vibe. The layout doesn't waste space on long winding corridors, rather, the open-plan living and dining layout opens in the heart of the home and leads out onto a side-positioned alfresco for private entertaining. This home is brand-new, well-presented, and showcases a quiet, suburban location. Contact us for a priority inspection today!
