Ideally located in the thriving hills suburb of Cockatoo and enviably placed amongst leafy scenery, this outstanding residence is choicely presented in lovely neutral palettes and bathed in natural light. An attractive front garden provides a great first impression of this home that offers so much and delivers even more. Situated within close proximity to the Cockatoo main shopping centre, restaurants, Cockatoo Primary School and offering the perfect prospect for any family to call home. A large country kitchen with beautiful garden views is a chefs delight with plenty of bench space, gas cook top & AEG electric oven, tiled floor & a Bosch dishwasher. Flowing seamlessly from the kitchen is the formal dining room and semi open plan living area complete with gas wall heater and split system cooling, whilst the rest of the home benefits from the gas ducted heating. On the other side of the kitchen is an additional living room/ sitting room that leads down a separate hallway to the 3 generous sized bedroom all with built in robes and are serviced by the main bathroom. In the back garden you have the ability to let your creativity go wild with multiple shedding, workshop and storage options as well as the ability to utilize the McKenzie Street access. Great for tradies with trailers, family's with boats and caravans, or even just your excitable furry friends.
