This contemporary beach house, approximately 250m from Tideways beach, effortlessly blends coastal luxury with practicality. Encased in tall windows and sliding doors capturing lush green vistas from almost every room along with high ceilings and a flowing floorplan, the property emits an abundance of natural light and sense of space. The central open-plan living zone extends freely to a sun-drenched alfresco deck ideal for relaxing after a long day at the beach or entertaining in style. Whilst four bedrooms including master with ensuite, walk-in robe and private deck, two sublime bathrooms and second lounge allow family members and guests to emerge each day, fully revitalized and refreshed. Additional features: study nook, wood heater, split system air-conditioning, freestanding bathtub, stone benchtops and hardwood floors.
