When only the best will do! This apartment is larger than most in the complex and larger than expected as the living area and balcony create a bright light filled environment. With the northern aspect to the living area a warm and inviting time is assured. Set in Stage 5 of the waves with the advantage of a secure undercover carpark on title. All the worries of the world will wash away as you enter the lift, enter the apartment, open the blinds and step out onto the balcony and take in the stunning bay views. Two minutes til you have sand under your feet and let all the stress from Melbourne wash away. There is a holiday rental history which can be provided as requested.
