Situated along Shannon Brook creek only 10 minutes to the regional centre of Casino. This exceptional farm consists of fertile soils and is ideally suited to beef & hay production or cropping. This type of property rarely comes to the market with its convenient location and easy-care acreage. Situated on the property is a comfortable timber farmhouse with 4 bedrooms and an open lounge and dining area. The kitchen and bathroom have had renovations with a large covered entertaining area at the rear of the house. There are 2 timber & iron haysheds and an older dairy with power adjoining stables and steel stockyards. During the biggest drought in record this part of Shannon Brook creek continued to supply water for the livestock. This rare opportunity is not to be missed, book your inspection today.
