The wait is over! Your house on 5 acres has just hit the market. Situated under 15 minutes west of Casino with a cracker of a house on it and more sheds than you can count. The house is a beautiful weather board home featuring 4 spacious bedrooms with 1 bathroom (separate laundry & toilets), a modern Kitchen, open plan Living & Dining complimented with reverse cycle air-conditioning & a wood heater for those cold nights & warm days. If inside is not your thing it has a huge outdoor undercover area for all your entertaining needs. The property currently has a fertiliser business being operated out of it hence the significant number of sheds on sight. This place would be perfect to anyone with trucks or heavy equipment that needs to be stored undercover or even just for someone who loves plenty of room for storage and tinkering on the next project. Split in to three paddocks there is plenty of room for a couple of cows, a sheep or two or even a horse, you could even turn one of the many sheds in to a stable for the ideal horse arrangement. If you have the desire to live in a country environment but with close access to all the creature comforts this life has to offer look no further, this is the place for you. Call us today to book an inspection. *Please note only the house and land is available for purchase. The business is moving to a new location.
