\$790,000 - \$840,000

Set in a secluded spot just steps away from parklands and walking trails along the Darebin Creek, this bright three bedroom townhouse sits in a winning lifestyle position. Unfolding over three floors, filled with space and light, it presents an impressive package that's perfect for first time buyers. The home is highlighted by an expansive first floor living space, which features an open plan layout stretching out over gleaming timber floors. It flows from a sparkling kitchen (stainless steel Smeg appliances, large central island bench with breakfast bar) out onto a wide north facing covered balcony. The second floor plays host to a spacious primary bedroom with mirrored robes and ensuite with walk-in rainfall shower. Further features include two ground floor bedrooms with mirrored BIR, bathroom, laundry, powder room, split-system heating/cooling and secure double garage. Mere metres from Darebin Creek Trail, it's an easy stroll to an impressive array of parklands. And you're just a short trip away from Station Street cafés and restaurants, High Street's vibrant Thornbury strip, Preston retail and Northland Shopping Centre. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
