69 hectares of some of the nicest virgin bushland you are likely to find with some open country ideal for grazing a few livestock. Just over 170 acres in old terms, with towering tree ferns and fertile basalt soil in a high rainfall area(over 1200 mm annually!), the property is fully fenced.This area is a well kept secret and is home to just a lucky few. A large shed is in place and a building entitlement allows a permanent dwelling.Located 16 minutes or 20 kilometres east of Braidwood, inspections by appointment. Lot 1 DP 1288722
