12 Months Lease, Pets Considered Tucked away in beautiful quiet Rosa Glen this 3 x 1 cottage is ideal for the rural-minded looking for somewhere to settle in. Featuring 3 bedrooms inside and one external room which can be used as a study/office. With freestanding gas cooker/oven, reverse cycle A/C to the living area and a lovely wood fire for those cooler winter nights. Externally there is plenty of storage with 2 sheds. Several reticulated raised garden beds are ideal to grow your own vegies. Leased area offered is ONLY the house and yard, there is no access to the surrounding farm. ****PLEASE NOTE**** Our offices do not accept 1Form or paper applications. All applications must be submitted electronically. Once you have registered for viewing the property, a link for 2Apply will be sent to you so that you can complete the application electronically.
