Step into a world where modern elegance meets comfort in this breathtaking residence, designed for those who appreciate the finer things in life. With four generously sized bedrooms, each providing a tranquil retreat from the bustling world outside, this home promises restful nights and rejuvenated mornings. The dedicated study offers a serene environment, perfect for productivity, while the craft room is a haven for those who love to immerse themselves in artistic endeavours. The heart of this home is undoubtedly its stunning kitchen, featuring a large island bench that is not only a statement piece but also a focal point for family gatherings and entertaining guests. The kitchen's sleek design is complemented by floating timber floors, adding warmth and a touch of nature to the modern aesthetics. Separate living areas ensure that every member of the family has their own space to relax, play, or entertain, without compromising on privacy or comfort. The enclosed outdoor area, with its timber flooring, is a versatile space that effortlessly blends indoor luxury with outdoor living. It comes complete with a TV point and access to an outdoor kitchen, making it the perfect spot for hosting summer barbecues or simply enjoying quiet evenings under the stars. The pièce de résistance is the swim spa, promising endless hours of relaxation and fun for the whole family. Whether you wish to unwind after a long day or enjoy a playful weekend, this feature adds an unparalleled level of luxury to your outdoor space. This home is more than just a place to live; it's a sanctuary designed for those who demand excellence and cherish quality time with loved ones. Don't miss the opportunity to make it yours and create unforgettable memories in a home that keeps on giving.
