If you enjoy fishing or just want a great weekender this 23 acre rural property could be ideal for you! Located on the main road to Dundee Beach and only a short drive to local boat ramps this property is well located for either a weekender or a permanent residential home site. Features include: A large steel framed shed with a 40ft partly fitted out shipping container, basic toilet and shower facilities, with a cleared and lawned area around the buildings. On site electricity and rain water tank storage has been installed on site. A small wet season dam provides a potential swimming hole. The block has good natural bush coverage and has excellent drainage. For further details call Ken at Litchfield Realty 0402 213406.
