Meticulously designed and expertly crafted, this stunning contemporary residence combines easy-care liveability, a substantial floor plan and a prime setting, steps to the village. The full brick and concrete home maximises its north and east aspects with bi-fold doors that open to designer gardens, decks and a private courtyard. It showcases an array of high-end renovations, an immense garage with workshop and a flexible floorplan with optional second living space or guest bedroom. This rare buy is a stroll to the bus, village, Seaforth Public School and moments to the beach. • No through street, brimming with natural light • Hardwood Sydney Redgum floors, high ceilings, skylights, multiple a/c • Generous open plan living and dining, double glass doors to the courtyard • Designer kitchen with induction cooktop and large stone-topped island bench with waterfall edge • Integrated dishwasher, quality appliances, superb pendant lighting • Bi-folds retract to the alfresco deck and private gardens • Family room/office or guest bedroom with nearby bathroom, spacious beds • Architecturally designed master, feature wallpaper, custom his and hers walk-in robes, cabinetry with LED lighting and bedhead • 2nd bed with ensuite, soaring vaulted ceilings, front & back balconies • Excellent cross ventilation, garden lighting by 'Gardens by Night' • Vast lock up garage with room for two cars plus workshop/office • Immense under house storage/workshop, digital access and security with video intercom
