Enjoy stylish living with this spacious top floor unit perfectly positioned near convenience shops, transport and schools. Bathe in a cool pool on these sweltering summer afternoons and then return to a fully air-conditioned unit to relax.

The home features two large bedrooms, with built in robes, master with floor to ceiling tiled ensuite which is a very generous size. There is a lovely family bathroom which is also fully tiled, with quality fittings throughout.

The luxury kitchen, with a Caesarstone benchtop, has Omega appliances including a microwave and dishwasher and is a chef's delight

The kitchen flows through to the open-plan dining and lounge area with wooden floors throughout. There is a great sized tiled balcony to enjoy your breakfast and there is also a secure garage plus a visitor's space. There are also plenty of storage spaces.

You will keep cool in summer as there is air-conditioning in the main living area and also in the master bedroom with stainless steel fans to all rooms. The windows are designed to keep the heat out and the home is insulated. These are highly efficient homes. Foxtel is pre-wired and there is an abundance of power points.
