Expressions of Interest Closing Wednesday the 5th of June at 2 pm (unless sold prior) Set to the back of the iconic Regent on Collins building (circa 1936), this truly is a gem in the market for those looking to position themselves in the heart of the city. Enveloped by what was previously the Theosophical Society building boasting the quality of a bygone era. The foyer upholds its history with rich polished stone and a grand staircase throughout. Beyond the bounds of your own slice of luxury, you have immediate access to the best shopping, dining, and entertainment options that Melbourne has to offer. Luxury boutiques to your left and right, world-class productions at The Regent Theatre, and at the Paris end of the city you are not more than a moment's walk from the restaurants and rooftops that your friends have been talking about. Positioned to the rear of the building you can escape the hustle and bustle and enjoy your private balcony overlooking the famous Flinders Lane. Your bedroom offers floor-to-ceiling mirrored wardrobe space and a window looking onto Collins Street. The open-plan kitchen and living area provide the often illustrious feeling of home with modern appliances and the functional living space is the perfect canvas to make your own. Welcome to your new home.
