\$1,140,000

Providing a bright and modern all-rounder, this dual-level residence's flowing proportions and easy low-maintenance design are enhanced by its prime north Newtown location that's literally footsteps to King Street. Light, space and style feature throughout this ultra-private apartment that's positioned within a highly sought-after community with landscaped common grounds. Its whisper quiet setting is tucked away within strolling distance to the thriving entertainment scene, transport and neighbourhood parks. • Just a couple of blocks away from Hollis Park and local cafés • Generous interior layout with an open living and dining area • A private courtyard that flows effortlessly off the living space • Two upstairs bedrooms include one with large mirrored robe • A well-appointed kitchen with dishwasher and breakfast bar • Undercover car space, full bathroom plus an internal laundry • An immaculate pet-friendly complex with lawns and gardens • Strolling distance to Sydney University and RPA Hospital
