Positioned in a lovely quiet street on a level, private and leafy 600 sqm block is this well presented double storey home. • Upstairs features a light and airy living and dining area which opens out onto the front verandah and is complete with combustion fire place, ceiling fan and air conditioner • Galley style kitchen with ample bench and cupboard space, air conditioner, dishwasher and large pantry • All 3 bedrooms have ceiling fans, master with built in robes and air conditioner • Large main bathroom with shower and bath • Spacious laundry with storage cupboards and external access • Downstairs off the entry is the guest bedroom with ensuite and sitting room. A versatile space, which can be kept separate from the rest of the home and with its own external access creates an opportunity for an additional income leased or as a home office • Double garage with automatic doors and separate work shop / store room This versatile and family-friendly home boasts plenty of potential with lots of space to add in a pool or shed.
