An exceptional family address where the flair of the indoor spaces is matched by the style and the size of the outdoor surroundings, this inviting residence makes the 'move in and enjoy' dream beautifully, brilliantly real. Substantial, separate areas for living and dining each enjoy a zone of their own either side of a central kitchen/meals space featuring quality components and a fabulous, fresh black and white theme. Three bedrooms and two bathrooms include a luxurious master bedroom with a walk-in robe and contemporary ensuite while the fully-tiled spa bathroom delivers delights day and night. A large laundry with ample storage further enhances the indoor appeal of an address offering designer alfresco dimensions served by a bar and additional toilet. Dual study or studios, a security camera system and a four car garage featuring sparkling showroom style provide significant additional allure, accompanied by a secure carport and a further three off-street parking spaces on some 662m². Enjoy a premier pocket defined by proximity to Altona Gate, Blackshaws Road shopping strip and quick, convenient access to the freeway.
