A VERY DILAPIDATED HOME AND IS NOT LIVABLE IN IT'S CURRENT STATE Under instruction from Public Trustee Auction 9th of April 4:00 PM It sits on a large allotment with 20 meters (approx.) frontage and is 799 SQM. overall with many opportunities. Please check with Playford council on what is possible and what is not. There is a large tree at the rear that has collapsed on the outside shed. The successful buyer will be responsible for making this safe. Just up the road is a huge urban renewal development. The area is definitely changing for the better and undergoing a very positive change. It is very reasonably priced. The property is definitely going to Auction.
