Craftsmanship and quality is top of mind when you see this tastefully renovated cottage which blends both timeless features with modern new additions to deliver a fantastic family home which also gives you the potential to work from home with massive shedding and rear lane access. Located in a quiet area you are only a short walk through the wetlands reserve, you will find yourself at all of town's amenities including medical facilities, shopping plaza, schools, golf course, cafes and parkland/recreational reserves. The home itself features 3 bedrooms all with built in robes, master with ensuite, large open plan kitchen, dining and meals area and a separate lounge room which flows perfectly through feature French doors to a large outdoor entertaining decking. Anyone looking for extra storage, car enthusiast, work from home option, room for the caravan/boat or work trailer need to have a look at this one as it will cater to all your needs.
