This craftsman built 3 bedroom octagonal home is set on 8 acres and approximately a 7 minute drive from the Heathcote township. Polished floors throughout compliment an open plan kitchen/living area with w.i. pantry and additional storage cupboards. A split system caters for heating and cooling. Double glass door lead out onto the spacious decking overlooking the surrounding countryside. Ingeniously designed, all bedrooms all have built in robes, the master with a large ensuite. Both the main bathroom withbath, and the laundry are well sized.Upstairs, the observatory level has scenic 360 degree views of the surrounding countryside, ideal for star gazing. The property is situated in a peaceful location, amongst similar sized rural holdings.
