Along the George St peninsula of Windsor is this gorgeous heritage home, with unique and flexible floorplan, and separate rustic barn studio for teen retreat or guest accommodation. Located in walking distance to Windsor's historic town centre, and a short stroll to Governor Phillip Park & Boat Ramp, this stunning period homestead on approx 2332m² of cottage style grounds is a lifestyle property with ample room (plus garage) to park the boat, caravan or trade equipment. The established gardens and full fencing enhance the property's appeal, and with its verandah entry and large undercover entertaining space it's a home to enjoy year round! Rustic and original features are found throughout, with double hung windows and ornate fireplaces - all balanced with the modern convenience of multiple split system ac's and ceiling fans! The home has a unique design with the front portion featuring formal lounge and three generous bedrooms; and the attached rear wing containing bathroom, kitchen and second formal lounge, laundry and study or 4th bedroom! None of the rear wing has internal access to the front of the house, with the rear entertaining area acting like an indoor/outdoor space that connects the rooms of the home! Check the floor plan for more info! To the rear of the home you will find a restored historic barn in slab timber design, which has a lower living area, kitchen plus bathroom, and upper loft bedroom. The barn looks over the Hawkesbury River, with access directly to its banks from the property's rear boundary. A rare opportunity presents to lease a home with such heritage value, so please email to secure your inspection! An outdoor pet will be considered.
