Designed by the award winning Designer Chris Clout is this remarkable property bringing the best of contemporary, luxury living to the world renowned Byron Bay. With immaculate finishes, extraordinary attention to detail and integrated living appliances this home elevates the coastal lifestyle experience. Double height ceilings welcome you into the spacious, open plan home with extensive glass allowing natural light to reach deep into its footprint. Clever design sees two spacious living areas with an indoor garden dividing them. The kitchen is immaculate with Ilve appliances, gas cooktop, gold fixtures and fittings, butlers pantry and showcased is a unique built in Bar. Adjoining the kitchen is the dining and main living area complete with feature fireplace and the natural and relaxing color palette throughout compliments the beachside location. Seamless indoor/outdoor living is created through large sliding doors opening onto the entertaining area with built in BBQ and outdoor kitchen. Outside there is a stunning plunge pool with water feature and a separate Kylin sauna. Upstairs encompasses 5 generous bedrooms each with air conditioning. The main bedroom is a complete parents retreat with a deluxe ensuite with bathtub, a walk in wardrobe and private terrace. All bedrooms include built in wardrobes and bedroom 2 features an ensuite and private terrace and bedroom 3 also includes an ensuite. There is an additional well-appointed bathroom on this level. This home perfectly blends modern luxury with coastal charm and offers an abundance of space for growing families seeking a spacious, luxurious home is one of the world's most sought-after locations. To arrange a private inspection contact Tara and Denzil today! Council Rates: \$5,524.60 pa
