Really, you won't need the car, this home is a stones throw from the main street of Queenstown and you could walk to everything. This property has been a much loved home for many years now and it's time for a new chapter. The home sits on a lovely block which has a single car garage, workshop shed, wood shed and the gardens could be a stunning spot again whilst enjoying the sounds of the river behind. The home has two living areas, one with pressed tin ceiling, an open-plan kitchen area, and has two reverse cycle air conditioners. This lovely old home could do with a bit of a facelift to become a stunning home again, in a wonderful position. Please call Nardi to arrange a viewing.
