If rural life is what you're after then this home might be the one! If you are looking for a property that is well out of town, totally private and offers you your own hideaway to call your own then this is the property for you. Located under 15 minutes from the Batchelor Township and approx. an hour from Palmerston CBD, this property is 5 acres of land that offers cleared areas as well as native bushlands and easy care gardens for you and the family to enjoy total serenity with a fully fenced block. The home is a solid brick design that was built to stand the test of time, and offers plenty of outdoor entertaining options and space to sit and soak up the space and tranquility. - Three-bedroom ground level family home with spacious open plan design - Master bedroom includes a large study / home office / nursery - Bathroom has shower over the bathtub - Central open plan living, dining and kitchen areas with sliding door access to verandahs - Verandahs span the length of the home front and back - Kitchen includes wrap around counters and plenty of prep areas to work from - 15 minutes from Batchelor township with access to local tavern and shops - Schooling options for the kids with plenty of parklands and play areas to explore - Access route through to Litchfield National Park and many awesome outdoor areas - Easy drive from Palmerston in just on an hour through sealed roads Each of the three bedrooms is well sized with large sliding windows with garden views. The master is oversized and includes a home office / nursery / study room as well with access via an archway. Spend your free time exploring the Litchfield National Park or the Batchelor Township which are all nearby. On your way back into town you can stop past the Berry Springs Tavern for a great meal or Coolalinga for all your everyday shopping needs. Pets welcome. Available 1 March 2024
