\$800 per week

The team at Raine and Horne Lismore are thrilled to present this wonderful home for rent. Set in the middle of the beautiful and friendly village of Clunes, this gorgeous home is available for the right tenant to either make it a home or a place to establish a business. The space is generous and full of charm and character. There's three bedrooms, a huge industrial-style kitchen, two living rooms and a huge closed in verandah, allowing countless options and variations for use of the space. French doors lead to a sweet paved and leafy garden and the back deck overlooks an enormous yard. There's also a studio with a bathroom so there's a whole lot more possibilities for that. The property is part of the awesome and renowned Clunes Store and Cafe, with its impeccable range of groceries, wines, coffee and food options on offer, and there are several night's a week of pop-up restaurants and events. It's such a fabulous place to be, it's the hub of the hinterland community, and why wouldn't you want to live right next door. Variable lease terms are available, just ask. Commercial or residential lease options available. Pets considered. Contact Brett McDonald via text on 0421606422 for more information and to arrange an inspection.
