INVITING OFFERS

35 Ormuz Rd, Yeronga is located on arguably one of the best pockets of Yeronga, a location highly sought after by the locals. My love affair for Yeronga began in this street with fond memories of playing in the park, catching the bus into town, and visiting the neighbours ...you could not find a better place to live or invest. Situated across the road from the beautiful Jacaranda Park, and positioned on a beautifully landscaped 731sqm block, this post war home will appeal to many. Immaculately maintained for a lifetime, while enjoying recent upgrades such as a new kitchen there is so much on offer with the current home, but as the street is coming alive with magnificent new builds the land will be just as appealing for the future. With 3 good sized, air-conditioned bedrooms on offer, two of those are separated from the living by a hallway and French doors, the main bedroom with a window seat and leadlight windows overlooks the park. Bedroom 2 is to the back of the home, separated by the updated bathroom offering a shower over bath & separate toilet complimented by Terrazzo flooring. The open plan lounge and dining flow through to the sunroom or perfect home office / playroom, taking pride of position overlooking the park, a lovely place to relax and unwind. To the back of the home the new kitchen is sure to impress with timber benchtops, induction stove top, dishwasher, insinkerator, appliance area & great storage, perfectly positioned overlooking the backyard. Entertaining will be a breeze with a gazebo at the back of the home overlooking the gorgeous, landscaped backyard surrounded by manicured hedges & sandstone garden beds. Young families will love the easy flow to the back yard & mature buyers will appreciate the gardens and level yard. For many the standout feature will be under the house, just another indication of how well the home has been maintained over the years and where many an hour was spent by the original owners with an office, workshop, lock up storage and tandem garaging. This outstanding location is across the road from Jacaranda Park, only moments to the river walks, bus stops, Osteria Epoca & Andonis; walking distance to St Sebastian's Primary School & the train; within a short bike ride to the Green Bridge connecting, you to the University of Queensland; within easy access to Fairfield Gardens Shopping Centre with both Coles & Aldi, QLD Tennis Centre, hospitals, universities & private schools.
