Discover the charm of 35 Redbank Road, Seymour. This classic 3-bedroom brick home combines comfort with convenience, perfect for families or individuals ready to move in and make it their own dream home. Within a kilometre of St Mary's College, Seymour Health, and the shops, this beauty is close to the community's local amenities. Each bedroom offers warmth and space, with Australian hardwood floors and ample storage. The main bedroom features a renovated ensuite, and the second bedroom includes a built-in study desk. The heart of the home is the generous living room, adjacent to a modern kitchen with a breakfast bench and spacious dining area. Key Features include: • Three spacious bedrooms with built-in robes • Large living area • Updated ensuite, kitchen & main bathroom • Ducted heating throughout • Authentic Australian hardwood floors • Extensive undercover entertainment area doubling as extra car space • Powered workshop and additional tool shed • Low maintenance, established garden Unaffected by the recent floods, this property stands sturdy as a true gem in today's market. We invite you to experience its allure firsthand. Request a visit or attend a scheduled open home and experience 35 Redbank Road's perfect blend of comfort and simplicity. Disclaimer: Certain photos in this listing are virtually staged to illustrate the property's potential furnishing. It does not mean the property will be fully furnished upon inspection or sale.
