The perfect block of approx 2286m to build your home and garden that also has the bonus of the wilderness and city close by. Nestled in quiet township of Meander with stunning mountain views. The block is just 15 minutes to Deloraine (the local shops) and 50 minutes to Launceston city. Beautiful walks and lakes are close by with 15 minutes to Lake Huntsman and 20 minutes' drive to the Meander Falls walk. The Meander River flows through the township with the Western Teirs capped with snow in Winter.
