If you love that old time cottage feel then this is the home for you. It's got the cute wrap around veranda at the front with broomstick balustrade. Inside the charm and character continues with tongue and groove walls, Pine timber floors and high ceilings. There are 3 bedrooms with the master bedroom featuring a walk in robe. The country style kitchen with its timber doors is open plan to the dining room and features a decorative timber arch between the two rooms. There is a double door pantry, plenty of space on the large L shape benches, an upright electric stove and a split system air conditioner that filters cool air throughout the kitchen, dining room and into the lounge room which is adjacent the kitchen. Somewhere in the recent past new Double Sash windows have been added so that the original look is kept and there is little to no maintenance on them. Off the rear of the home is a covered timber deck, the perfect place to relax and watch the kids and pets play in the spacious 632m² yard. There is room in the rear yard if you would like a work shed and you would have vehicle access via the double carport which is to the side of the home. This is a very convenient location close to schools and local shops, and only a short drive to Train station and into the Ipswich CBD. If you are looking for an investment property there are great tenants in place at the moment leased till 30 November 2023 at \$375 per week. Call now to arrange your personal inspection.
