Have you been waiting for some industrial land? Are you finding that you can no longer work out of your backyard perhaps? Then look no further, with 35 Station Street, Porepukah presenting as a fabulous opportunity to secure 1000m² of light industrial land with an approved 2 lot plan of subdivision in place as well. The original planning approval was for a 2 lot subdivision along with the construction of shop space at the front of the land, on potentially Lot 1 and a dwelling at the rear on the land on what would potentially become lot 2. This surely is too good of an opportunity to miss given how hard it is to find property such as this.
