An extremely rare opportunity to acquire a large corner site in this absolutely prime location just a short stroll to beautiful Somerton Beach. The red brick colonial style home, built around the 1960's, is of very generous proportions and is currently in 'Blank Canvas' mode. There are 5 bedrooms, 3 bathrooms, 2 living areas, 2 garages, and swimming pool - all of which will require your input. The land area is 1,335 m<sup>2</sup> (approx) and is zoned General Neighbourhood. The width to Tarlton Street is an impressive 42 metres (approx - less 'corner cut-off') with a depth of 28.5m (approx) on the Angove Road side and 36.48m (approx) on the Northern side.
