In a quiet Northcote cul-de-sac with All Nations Park just steps away this contemporary home designed by Insideout Architects in a landscaped garden setting has been designed with an emphasis on timeless contemporary style and seamless connection to the outdoors. Over one level the unique design extends to the interior, with an expansive open-plan living area that seamlessly blends indoor and outdoor living and captures the northern aspect. The thoughtful design has included polished concrete floors and large windows and doors throughout allowing plenty of natural light to flood the entire home. Featuring four bedrooms, the main is tucked away at the rear with large ensuite and walk in robe, central bathroom and an expansive open plan well-appointed kitchen, dining and living with fireplace. The updated entertainer's kitchen features quality Miele appliances including induction stovetop and gas wok burner, integrated dishwasher, and freestanding island bench/breakfast bar. Additional highlights include walk in wine storage, split system heating and cooling, custom-built storage throughout and remote OSP for two cars. Ideally located in a quiet residential street it is just moments from High Street, Northcote Aquatic Centre, schools, parks, and transport.
