A product of the talented minds of Elenberg Fraser, this property draws together simple yet powerful form-making, interweaving modern design elements within a spacious & sunlit format. Sunlit introductions extend from the open-concept living & dining domain onto the sunrise balcony. Floor-to-ceiling windows wash the interiors in natural light, with the neutral colour palette animated by the natural textures of solid hardwood flooring. A primary bedroom with BIR and ensuite is joined by a second bedroom with BIR and main bathroom access. Completing the floor plan are a series of quality features, including Euro laundry, Miele appliances, and living room A/C. World-class resort-style facilities are staged over three levels featuring a fully equipped gym, swimming pool/spa, a rooftop cinema, and a kitchen/dining area all within steps of Queen Victoria Market & Melbourne Central.
