\$530,000

The house like ducted heating, evaporative cooling, modern kitchen, extra large laundry, and big Garage workshop with electricity. The bedrooms are all good very good sized with walk in robes, bathroom is new with hotel style bathroom. Kitchen is new with stainless steel appliances and plenty of bench space. You'll love the back undercover area for entertaining or just enjoying a nice magazine with a cup of tea. Creative people will love the oversized garage with work bench and electricity to the garage.
