Richard Campbell

\$680,000

This charming cottage sits in the affordable end of the Real Estate market. Competition in this price range makes an early inspection a must. The splashes of colour throughout this endearing 3-bedroom cottage is a true delight. You will be presently surprised on inspection. This easy care 881 sqm sized level block is perfectly positioned with a north facing aspect making the outdoor area pleasant all year round. The kitchen, dining and lounge areas spill out to the covered patio area. This country-style, open plan home features a kitchen with electric cooktop, oven, and dishwasher. Timber and tiled flooring is a feature in this country cottage, plus the three bedrooms that share a walk-through bathroom. - Solar panels - Hardwood floors - Split system air-conditioning - Covered outdoor patio - North facing 881 sqm block 3kms from the Village of Alstonville, This country cottage is in a rural setting and these properties are hard to find so if you want the country feel with a close to town lifestyle, well look no further. Please feel welcome to a private inspection or an open home. Exclusive Agents: Gabrielle Thompson & Richard Campbell.
