Ready to debut an exquisite top-to-tail renovation that looks like a brand new home, be the lucky person to secure this stunning three bedroom residence brimming with contemporary chic and coastal elegance. Sitting proud behind a picket fence on the corner of a no through road, this bright solid brick home will suit singles, couples and families alike. Drenched in natural light over a single level layout, the home features interconnecting living and dining zones with engineered timber flooring, skylights, crisp white walls and LED lighting, while the modern kitchen is beautifully appointed with stainless-steel appliances, stone counters, quality custom cabinetry and subway tiles. Separated down the hall off the main entrance, are three bedrooms all with built-in robes that share a breathtaking bathroom with deep soaker tub, separate shower, and black tapware. A short zip to Rosebud shopping strip and the beach, this solid investment on 737sqm (approx.) includes split-system heating & cooling and a great deck out back to relax and entertain whilst overlooking the generous secure rear yard. The North-facing rear yard also includes off-street parking for your caravan and boat.
