Restored, historic country home One of the finest positions in the Orara Valley, 'Garyowen' is located on the headwaters of the Orara River with direct frontage to delightful swimming holes. Comprising approximately 100 acres with a mixture of forest and lush pasture including very productive river flats. Sitting proud within well established gardens the 100 year old character filled home has an easterly aspect and has been renovated throughout retaining original features such as the elegant facade, 12 foot high ceilings, polished wood floors, original doors and timber sash windows. Wide under roof timber verandahs are in keeping with the charm of yesteryear and provide additional outdoor entertaining areas. Cooks will appreciate the contemporary style kitchen with dishwasher, stainless steel benchtops and island breakfast bar adjoining the dining room and family room with combustion wood fire. A separate study offers a work from home option. The four good sized bedrooms have built-in closets and are located along a traditional hallway leading to the generously sized main bathroom with luxurious claw foot bath and pedestal basin. Parents will appreciate the spacious, light filled living room which opens to the garden and adjoins the private master bedroom featuring mountain views, a walk-in robe and ensuite bathroom. Step outside the home and enjoy the ambience of rustic stone terraces and a stunning in-ground swimming pool. You'll spend summer evenings dining alfresco and weekends partying by the pool with the beautiful forest and mountains as your backdrop.
