Situated in the popular town of Longford and only a 20 minute drive to the Launceston CBD, this good sized block is just waiting for you to build your dream home on it. The power and water have already been installed for the block, so all the hard work has been done to get the property build ready. The owners have even had plans drawn up for a lovely home, which can be provided to buyers with serious interest in the property. You aren't far from the heart of Longford here too, being only three minutes drive to the local IGA, bakery and other boutique shops that line the Main Street of Longford.
