Set within a quiet cul-de-sac next to Boyd Park with security entrance & intercom, take the stairs or lift to the privacy of the 1st floor. As you step inside with main bathroom to the left (perfectly positioned for entertaining, doubling up as a powder room) tucked away, as you walk in through to the kitchen area with stone breakfast bar - you immediately get a great sense of space. The kitchen in near-new condition has ample storage and favourable gas cook-top. From the dining zone, the living area widens and flows out to a terrific terrace with a westerly aspect so you can watch the sun go down. Both bedrooms are positioned on opposite sides of the huge living/dining area, each with robes. The master features an ensuite and WIR too. Of course there's secure off street parking on title and a storage cage too, but if you don't have a car you won't need one as Hughesdale Station is nearby, there's several cool cafes and Chadstone is walking distance too! Vacant possession.
