This spectacular residence with sweeping city views is a showcase of modern design. Securing the best of Doncaster living with its prized position moments from Marshall Avenue Reserve, Koonung Creek Trail, Westfield Doncaster, and the Eastern Freeway, this is luxury family living at its finest. A tour of this home will lead you on a discovery of exemplary fittings and fixtures within a family-centric floorplan. The entry level leads you along a central corridor that features a formal lounge with quality carpet, guest powder room, laundry, home office/bonus bedroom, and a landscaped internal courtyard. The master bedroom with walk-in robe, deluxe shower ensuite, and floor to ceiling windows takes pride of place in this wing of the home. At the rear of the residence, open plan living will set the scene for many memorable moments. Seamless flooring and access to the covered alfresco and low-maintenance landscape feature throughout the family room, meals area, and designer kitchen with walk-in pantry, stone benchtops, quality appliances including gas cooktop, and inviting island seating. On the upper level, the spacious retreat with plantation shutters and panoramic views branches to 2 further family bedrooms with built-in robes and the stylish soaking tub bathroom with floating vanity. With a long list of supplementary features including ducted heating and cooling, a double garage, and desirable zoning for Doncaster Primary School and Doncaster Secondary College, this property is the perfect forever family home. Inspection will impress.
