Area: 837 m2

Type: House

Frank Schembri

\$480,000

You will be impressed from the moment you walk through the front gate. The recently and beautifully renovated, three bedroom home has been in the same family since it was built in 1980. Your galley style kitchen is well equipped and includes, gas cooking, stainless steel dishwasher, good bench and cupboard space plus the added bonus of a walk in pantry. This connects to the open living and dining area which are positioned at the opposite end of the home to the bedrooms. The sense of style is carried on throughout the entire home, including the bathroom which offers a generous shower recess which is screened by a single frameless panel, whilst the combination of three different styles of tile and simple colour choices complete this beautiful area. All three bedrooms are complete with split system air-conditioning and built in robes, whilst the tasteful simplicity make all three the ideal rest zone. The outdoors has not been forgotten, high front fences ensures the kids and pets stay in and the wide drive leads to a massive four car carport, which can also transform into an undercover entertainment area or children's shaded play area. This connects to the full wrap around yard which embraces the house. Additional benefits include:- Solar hot water system- Located close to schools- Easy access to Vanderlin Dr and McMillans Rd. This home is ready to move into and is a home you would be proud to invite friends and family to visit.
